

Volunteers

Claire Erskine and Stacey Stewart are two parent volunteers who, for the last 2 years, have delivered an after school gymnastics club at Ballantrae primary.

The club runs on a Friday after school for an hour and a half and they prepared the pupils for this year's South Ayrshire Gymnastics Competition.

How to volunteer

Volunteering is an ideal way to get involved in sport, develop new skills and stay engaged in sport.

Volunteering can be a rewarding activity which helps you to meet new people and take on new challenges through roles such as coaching or administration.

73% of the sessions delivered by Active Schools last year were led by volunteers.

It is easy to get involved we provide training and support for all our volunteers when required. Contact Claire using the details below.

Term 1 2016-17

Girvan Cluster

The Active Schools team in South Ayrshire work to provide more and higher quality opportunities for children to participate in school sport, and to increase capacity through recruitment of volunteers who deliver activity sessions.

Claire from the team covers Girvan Academy and the 7 cluster primaries. These schools follow a PE plan and Active Schools provide opportunities to complement this such as after school clubs, festivals and competitions.

Previous Term Results

In the last school year:

Over 50% of pupils within the cluster participated in extra curricular clubs.

893 activity sessions were delivered across the 8 different schools

More than 12 different sports were offered to the pupils

Barr Primary pupils were the first winners of the Girvan Cluster Badminton League.
